

merry  
christmas  
and  
happy  
new year 2021

Autumn Round-up December 2021

Term ends on  
Friday 17th December  
Children return for the  
Spring term on  
Tuesday 4th January 2022

We are so proud of our amazing Year 1 children who performed so brilliantly for the other classes and for parents in their Winter Shows. We loved their great acting, lovely singing and dazzling dance routines. Well done Year 1.

Have a safe, happy and restful time with friends and family. See you in 2022!

## Parent Workshops

Our parent workshops have continued to be really successful. This term we were able to invite parents and carers to work alongside every child in our Reception and Year 2 classes.

We think it is so important to work with you and your child together. The workshops allow parents and carers to experience the methods we use in school and give you the support you need to support your child at home.

In the Spring Term, we will be holding writing workshops for our Year 1 parents. We have scheduled the workshops for the 1<sup>st</sup>, 2<sup>nd</sup> and 3<sup>rd</sup> March.

We will also be holding a meeting for Year 1 parents about the Phonics Screen assessment on Wednesday 19<sup>th</sup> January.

Save the dates and look out for more information in the New Year.

## Thank you

This term has been very challenging at times and I wanted to thank you all for being part of such a supportive and positive school community.

This term, we have been able to invite more parents in and you have been amazing. As well as working alongside your own children, parents and carers have come in as volunteers to support a huge range of learners across the school. We are holding a second Volunteers meeting on Thursday 13<sup>th</sup> January straight after drop-off at 9.10am. Please join us if you have some time to give to support our fantastic learners.

Thanks especially to our Black and Black heritage parent group who met this term to help us improve our curriculum and look for opportunities in school for children to celebrate and learn about our diverse school community. With their help we have worked to make our curriculum topics, texts and resources more representative so children see themselves and their experiences valued. We also talked about having more visitors and role models in school so the children can see possibilities for careers and be ambitious about their lives beyond school. Thanks finally to all the parents who helped make the PSA Festive Fair such a huge success. You did an amazing job and it was fantastic to see so many members of our Rokesly community together having fun.

**We could not have done it without you.**

## Playground buddies

This term we have been really happy to have our Year 5 playground buddies back in the infant playgrounds.

The children have transformed playtimes in the infants by introducing new games, supporting the youngest children in their play and by being great role models.
