

Yellow Class families we are missing you all!

We hope you are all doing lots of fun learning activities at home.

This week I did Pilates lesson with Caroline and Marisa together on Skype.

Grown-ups are there to help you but remember it's your job to use your 'noodles!'

What have you been doing this week?

Please make sure you enjoy at least one book each day. You should start a daily diary in your blue books and write or draw a little about what you have read each day.

Keep a record of the number of times you:

1. Brush your teeth
2. Wash your hands each day.

How many times in one week? Which do you do more? Could you make a chart?

This week you should make a shop to play in your home. You can use toys, food packets or other things you can find. Practise writing your numbers for price labels and signs. Label or write on how much things in your shop cost with different amounts to start with up to 5p.

Have fun!

Lots of love

Saffron
